

NAMRATA GIRISH KADEMANI

Data Science Professional

CONTACT

Dharwad, India 580009
8618758892
nambukademani2004@gmail.com

PROFILES

[linkedin.com/in/namrata-kademani/](https://www.linkedin.com/in/namrata-kademani/)
github.com/

TECHNICAL SKILLS

- SQL and Data Analysis
- Python Programming
- Machine Learning
- Statistical Analysis
- Data Visualization

INTERPERSONAL SKILLS

- Active Listening
- Team Collaboration
- Strong Work Ethic
- Adaptability
- Positive Attitude

LANGUAGES

English — Upper Intermediate (B2)
Kannada — Advanced (C1)
Hindi — Intermediate (B1)
Japanese — Beginner (A1)
Korean — Beginner (A1)

INTERESTS

- Photography & Travel
- Music and Dance
- Shooting
- Badminton

Focused on developing professional skills and competencies in organizations that recognize dedication and provide opportunities for growth and challenge.

EDUCATION

2025–26 **Master of Science: Data Science**
Chanakya University — Bengaluru

2022–25 **BSc: Statistics and Computer Science**
KLE's Society P.C. Jabin Science College — Hubli
CGPA: 8.54

2020–22 **PUC-PCMB**
Prism Timmagoudar Science College — Dharwad
Grade: 75%

2020 **SSLC**
St. Anne's ICSE School — Haveri
Grade: 75%

RESEARCH PROJECT

Enhanced Iris Flower Classification Using Optimized Machine Learning Techniques

Machine Learning Classification Research

Description: Developed a Machine Learning classification model using the Iris dataset to accurately predict flower species based on sepal and petal measurements. Implemented data preprocessing, feature scaling, hyperparameter tuning, and cross-validation techniques using SVM and Random Forest algorithms to improve model accuracy, reduce overfitting, and enhance reliability.

Result: Achieved 100% test accuracy and 96.66% cross-validation accuracy with improved prediction performance, reduced overfitting, and reliable flower species classification.

CERTIFICATIONS

Feb 2026 **The Data Science Profession**
University of London — Coursera

Feb 2026 **Foundations: Data, Data, Everywhere**
Google — Coursera

Essay & Quiz Competition — NSSO (FOD)

Participant

Master Your Memory Workshop — Certificate of Completion

ACTIVITIES

GHCI 2025 (Grace Hopper Conference India)

Participated as a Chanakya University student. Workshop held at KTPO, Bengaluru, December 2–4.

International Conference on Climate Adaptation and Resilience

Participated in a conference organized by Chanakya University, focusing on climate adaptation, sustainability, and global environmental challenges.

Seminar: The Power of Conviction — Communicating Your Research Effectively

Learned effective research communication skills — presenting ideas clearly, improving academic presentations, and confidently conveying research findings.
