

SAI KIRAN REDDY YANNAM

Hyderabad, Telangana | +91-9515228131 | saikiranr693@gmail.com

PROFILE

Objective

To work in a challenging atmosphere that will sharpen my skills and support professional growth in a competitive environment. A passionate Cloud & DevOps engineer with hands-on experience in Azure, CI/CD pipelines, Kubernetes, and infrastructure automation.

EDUCATION

2022 – 2025
Hyderabad

Bachelor of Science

Osmania University
CGPA: 7.77

CERTIFICATIONS

2024

Microsoft Azure DevOps Certified

Microsoft Azure — Official Certification

ACADEMIC PROJECTS

2023 – 2024
Hyderabad

Azure DevOps – End-to-End CI/CD Pipeline

Academic Project | Osmania University

- Built a complete CI/CD pipeline for a 3-microservice N-Tier application using Python, .NET, and Node.js.
- Deployed microservices on Azure Kubernetes Service (AKS) via Argo CD using Azure CI Pipeline.
- Implemented GitOps / GitHub-based advanced CD architecture for automated deployments on every repository change.
- Gained expertise in containerization, Kubernetes orchestration, and GitOps workflows.

TECHNICAL SKILLS

MS Azure / Azure Services
Azure Kubernetes Service (AKS)
CI/CD Pipelines
Git & GitHub
Python
HTML
burp suite & nmap & wireshark
GCP (Google Cloud)
Network Security

Azure DevOps
Docker & Kubernetes
Terraform (IaC)
Azure Repositories
Linux
SQL / MySQL
VMware / Virtual Machines
Machine Learning (ML)
Microsoft Office (Word/Excel/PPT)

LANGUAGES

English
Telugu

Hindi

STRENGTHS

Key Traits

- Self-motivated with a strong drive for results
- Adaptable to new technologies — fast and eager learner
- Team player with strong communication and collaboration skills

I hereby declare that the above information is true and complete to the best of my knowledge and belief.
